Good morning Jorge,

Absolutely. I was in listening mode to hear from the community. I have a copy of their handouts and will share. They highlight their current concerns. Channel 8 covered the meeting and I did a quick interview.

I was asked to step out during the lawyers presentation and did so.

I am on plane traveling home to Dallas. I have meetings out of the office and will be back on Monday. I will send the materials then.

Best,  
David
